HEADQUARTERS: 50 Oak Ct. Suite 210, Danville CA 94526
WAREHOUSES: Tacoma WA - Portland OR - Hayward CA - Chula Vista CA

RE: Certificate of Compliance

To Whom It May Concern:

As manufacturers of the Kleen Blast abrasives KB 30-60, 35, 16-30, and 16 we are hereby certifying these materials are:

- These materials are in conformance with SSPC's Abrasive Specification No 1, Class A, and Grades III to Grade IV.
- Approved by the California Air Resources Board for dry abrasive blasting.
- On the military Qualified Products List (QPL) as Kleen Blast has been thoroughly tested and found to exceed compliance mandates found in the military specification Mil-A-22262.

Should you or any constituent have any additional questions or concerns regarding this matter please feel free to call me any time.

Sincerely,

Fionn O'Neill
Director of Operations / EH&S
CanAm Minerals
